Financial Performance

Highlights of performance during the financial year 2016-17 are:

Total Revenue of the Company is Rs.2.75 crores as against Rs. 6.38 crores in the previous year.

EBIDTA is Rs. (8.58) crores as against Rs. 1.87 crores in the previous year.

Profit / (Loss) before taxation is Rs (52.23) crores as against Rs (42.33) crores in the previous year.

Profit / (Loss) after Tax is Rs (55.66) crores as against Rs (42.33) crores in the previous year.

The company has incurred substantial losses due to non operation of all the manufacturing units and day to day administrative expenses. The company has not debited interest on borrowed funds as accounts of the company had turned NPA in the earlier years. This has led to lower losses to the extent of Rs. 701.35 crores.

Further as suspension of manufacturing activities has taken place in all the manufacturing units, no production has taken place (except generation of power in Wind Mills) there are indications which suggest impairment in the value of plant and machineries and other fixed assets of the company, for which the management is in process of getting the study carried out.

The company has incurred substantial losses and its Net worth continues to be eroded. Pursuant to its accumulated losses being in excess of its net worth as per the audited balance sheet as on 31.03.2012, the company had filed a reference with the Board for Industrial & Financial Reconstruction (BIFR), in terms of provisions of Section 15(1) of the Sick Industrial Companies (special provisions) Act, 1985 on 7th November 2012. The said reference was registered with the Hon'ble BIFR as case no 67/2012. However, pursuant to the action taken by the Punjab National Bank (PNB) under the provisions of the SARFAESI Act, 2002, BIFR vide order dated 19.02.2014 abated the reference of the company as non-maintainable. As against the said order, the company had filed an appeal before The Appellate Authority for Industrial & Financial Reconstruction (AAIFR) vide Appeal no. 78/2014 dt 25.03.2014. The Hon'ble AAIFR vide its order dated 03.12.2014 set aside the BIFR order dated 14.12.2015 and remanded the matter back to BIFR with direction to consider the submission of all the parties and pass orders afresh after giving specific findings through a reasoned order. Though the hearings before the BIFR were taking place, however, pursuant to SICA Repeal Act, 2003 and coming into force of the Insolvency & Bankruptcy Code, 2016, all the pending proceedings before BIFR / AAIFR stood abated and time was given to such companies, whose references / appeals have been abated, may file reference within 180 days from the date of the commencement of IBC i.e. from 01.12.2016. The Company is in the process of filing the necessary application under the provisions of IBC, 2016 before Hon'ble NCLT, Kolkata for its revival

Dividend

Reserve and Surplus

The Net worth of your company has eroded and the company has not transferred any amount to the reserves.

2. MANAGEMENT DISCUSSION AND ANALYSIS

Future of Indian steel industry looks encouraging due to reasonable GDP growth of India as we have a stable government at the Centre.

Annexure - B

The observations / qualifications made by the Statutory Auditors in their report for the year under review.

Auditors Basis for Qualified opinion

- 1) The Company has four manufacturing units at Kalyani, Shyamnagar, Kharagpur, and Durgapur, all of which are under the suspension of work for the last few years and they are under the symbolic / physical possession of lenders due to default of outstanding dues. Physical verifications of fixed assets and inventories could not be conducted by the management. We have also not been able to obtain sufficient appropriate audit evidences (SAAE) in respect of existence and valuation of fixed assets and inventories lying at these factories.
- 2) (a) Since manufacturing activity in the company has been suspended in all its units (except generation of power in wind mills at Dhule, Maharashtra). There are indications which suggest impairment in the value of Plant & Machinery and other Fixed Assets of the company which has not been done.
(b) Windmill at Dhule, financed by IREDA. In view of possession taken under SARFEASI ACT the wind mill financed by IREDA has been auctioned by the lender to M/s. Suzlon Global Services Limited and sale certificate has been issued to them. Meanwhile the company has filed an SA and IA challenging the above auction. The company is still receiving power generation report on daily basis from M/s. Suzlon Global Services Limited who were carrying on O&M services of the wind mill for the company.
- 3) Borrowings from banks and financial institutions have been classified as non performing assets (NPA) by the lenders. No balance confirmation of the outstanding dues could be obtained nor any bank statement has been provided by them. In absence of the same, we are unable to confirm the accuracy of the balances appearing in the books of account. As the borrowings have been considered NPA, no interest has been charged by the banks since then. The company has not provided interest on these borrowings from 1st July 2014 to 31.03.2017 which amounts to Rs. 1700.15 Crores (previous period Rs. 998.96 from 1st July, 2014 to 31st March, 2016).
- 4) The net worth of the company has been fully eroded and therefore the company had filed an application before the Ld. BIFR which was pending. SICA 1985 has been repealed by virtue of which Ld. BIFR has been abolished. The Company's ability to continue the business as going concern is significantly dependent upon any scheme that may be cleared under the aegis of the NCLT.
- 5) As explained to us although necessary Security / Watch & Ward arrangements have been made for safety of the plant by the company, its lenders and/or ARC at its various suspended manufacturing units yet precautionary safety action against risk of fire, burglary or natural calamity needs to be taken.

Qualified Opinion :-

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in the basis for qualified opinion paragraph, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principle generally accepted in India :

- a) in the case of the Balance Sheet, of the State of the affairs of the Company as at 31st March 2017.
- b) in the case of the Statement of Profit & Loss, of the Loss for the year ended on that date.
- c) in the case of Cash Flow Statement, of the Cash Flow for the year ended on that date.

Management Response :

- 1&2 (a) Security / watch & ward of the plant is being maintained by the Company. Banker's / ARC's have been getting asset valuation report done from time to time. Impairment, if any will be accounted for at the relevant time and will form part of the application / revival package under the provision of IBC, 2016 before Hon'ble NCLT, Kolkata.
2(b) The company has challenged the action of IREDA of the auction of wind mill before Ld. DRT, Aurangabad and the matter is sub-judiced. The company is confident of getting the order in its favour. Wind power generation is still continuing and reports of the same are being sent to the company on daily basis.
3. Since the Banks / FI accounts against the various facilities have become NPA the Bankers do not provide statement of accounts and confirmation / certificates in relation to various facilitation. However the Company had been providing interest and other charges on the accounts as per last sanctioned limit till June, 2014. There may be differences between the bank balance & Company's balance due to estimation. Company is not expecting any major variation between the outstanding of the lenders & the company. There was no difference between the outstanding of the banks and Company as on the date of NPA. Company has debited nearly Rs. 1325 crores on account of interest since the account has turned NPA. Impact of past and future interest if any will form part of the application and package under the provision of IBC, 2016 before Hon'ble NCLT, Kolkata for its revival.
4. The Company is in the process of filing the necessary application under the provisions of IBC, 2016 before Hon'ble NCLT, Kolkata for its revival. The company is confident of rescheduling its debts / settlement and in the light of continued support of the group and by the ARC's / FI's / Banks, the Company is confident of its revival under the provisions of IBC.
5. Security has been provided to avoid burglary. ARC's / Banker's have taken / are in the process of taking insurance policies for fire and any other natural calamities.

Independent Auditor's Report

To the Members of
RAMSARUP INDUSTRIES LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of Ramsarup Industries Limited, which comprise the Balance Sheet as at March 31, 2017, and the Statement of Profit and Loss and Cash Flow Statement for the year then, ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our Audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Basis for Qualified opinion:-

- 1) The Company has four manufacturing units at Kalyani, Shyamnagar, Kharagpur, and Durgapur, all of which are under the suspension of work for the last few years and they are under the symbolic /physical possession of lenders due to default of payment of the outstanding loans. Detail Physical Verifications of fixed assets and inventories could not be conducted by the management. We have also not been able to obtain sufficient appropriate audit evidences (SAAE) in respect of existence and valuation of fixed assets and inventories lying at these factories.
- 2) (a) Since manufacturing activity in the company has been suspended in all its manufacturing units (except generation of power in wind mills at Dhule, Maharashtra). There are indication which suggest impairment in the value of Plant & Machinery and other Fixed Assets of the company which has not been done.
- (b) Windmill at Dhule, financed by IREDA. In view of possession being taken under SARFAESI Act, the Lender has auctioned the Windmill in favor of M/s Suzlon Global Services Limited and Sales Certificate has been issued. We are given to understand that though Sales Certificate has been issued by the IREDA but legal transfer has not been done. In the meanwhile the company has filed an SA & IA challenging the above auction. The Company is still receiving power generation report on daily basis from M/s Suzlon Global Services Ltd who are doing O & M, Services for the Company.

- 3) Borrowings from banks and financial institutions have been classified as non-performing assets (NPA) by the lenders. “ANNEXURE B” - TO THE INDEPENDENT AUDITOR’S REPORT

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”).

We have audited the internal financial controls over financial reporting of Ramsarup Industries Ltd. (“the Company”) as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India” (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (ICAI) and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to

obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, except for the possible effects of the material weakness described as above on the achievement of the objectives of the control criteria, the Company has maintained, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as of March 31, 2017, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India"(ICAI).

23.1 DISCLOSURE PURSUANT TO ACCOUNTING STANDARD - 15 (REVISED) EMPLOYEES BENEFITS

a Defined Contribution Plans

Employer- established provident fund trust are treated as defined benefits plans. The company in its Shyamnagar unit has established a provident fund trust namely "Nicco Steels Limited Workmen's Provident Fund" which is in line with Provident Fund & Miscellaneous Provision Act, 1952. The Plan guarantees interest at the rate notified by Provident Fund Authorities. The contribution by the Employer & Employee together with interest accumulated thereon are payable to employees at the time of separation from the company or retirement, whichever is earlier. The benefit vest immediately on rendering of the services by the employee. But for last few years the manufacturing activities were suspended and WBIDC has taken physical possession of the unit since August 2012.

The guidance on implementing AS 15, Employee Benefit (Revised 2005) issued by the Accounting Standard Board (ASB) states that Benefits involving employer established provident funds, which require benefit shortfalls to be compensated are to be considered in defined benefit plans. The Actuarial Society of India has issued the final guidance for measurement of Provident fund liabilities. As explained to us there is no shortfall as on 31st March 2017.

During the year where PF has been deducted the company accordingly contributes to the Regional Provident Fund Commissioner (RPFC) and the same is recognized as expense during the year as under :

Employer's contribution to provident fund (to the Defined Benefits Plan)	NIL	NIL
Employer's contribution to provident fund (to RPFC)	65460	69728

- 30.0** i) The working of the company has been adversely affected due to paucity of fund and the company has not been able to service the interest / installments of various credit facilities provided by the lenders.
- ii) As reported earlier the Company had undertaken at Kharagpur and Durgapur new / expansion/modernization project, on which substantial expenditure was incurred. However, due to stringencies of financial resources and several other reasons, the Company could not continue with those projects and the same are still pending completion. Interests on borrowed fund together with day to day administrative expenses on such projects have been capitalized up to 31st March 2011 and thereafter it is being charged to the statement of Profit and Loss in accordance with clause 17 of AS-16 Borrowing Cost”.
- iii) In its Infrastructure division, there has been slow progress in the projects / contracts undertaken by the company from time to time which led to termination of some of the contracts resulting in imposition of liquidated damages & penalties, substantial administrative expenses, invocation of bank guarantees, etc. This has led to further loss in almost all of the contracts undertaken by the company. However a few contracts are near completion but progressing at slow pace.
- 31.0** a) The manufacturing activities at Ramsarup Utpadak, Shyamnagar has been suspended since August 2012 and physical possession has already been taken by WBIDC as term lender.
- b) One of the bankers of the Company has unlawfully taken action u/s 13(4) of SARFAESI Act, 2002 and the balance manufacturing 3 units of the company i.e. Ramsarup Industrial Corporation, Kalyani, Ramsarup Nirmaan Wires, Durgapur and Ramsarup Lohh Udyog, Kharagpur have been taken physical possession as on 01.08.2013. The same is claimed to have been done with the consent of some of the other bankers of the Company. The Company has already taken appropriate legal steps challenging the said unlawful action, before the Ld Debts Recovery Tribunal (II) Kolkata. Subsequently on 27.11.2015 ARCIL has taken physical possession of Ramsarup Lohh Udyog, Kharagpur.
- c) IREDA has taken action u/s 13 (4) of SARFAESI Act, 2002 on one of the units i.e Ramsarup Vidyut, Dhule and have taken physical possession on 17.03.2015 . Thereafter IREDA has without following the laws of SARFAESI Act auctioned the Windmill to Sole Bidder M/s Suzlon Global Services Ltd. on 17.03.2017. The above matter is sub-Judice before Ld. Debt Recovery Tribunal, Aurangabad, Maharashtra and the company is confident of getting the order in its favour. Wind Power generation is still continuing and reports of the same are being received by the company from M/s. Suzlon Global Services Ltd. till date.
- 31.1** The company has incurred substantial losses and its Net worth continues to be eroded further as at the Balance sheet date. Pursuant to its accumulated losses being in excess of its net worth as per the audited balance sheet as on 31.03.2012, the company had filed a reference with the Board for Industrial & Financial Reconstruction (BIFR), in terms of provisions of Section 15(1) of the Sick Industrial Companies (special provisions) Act, 1985 on 7th November 2012. The said reference was registered with the Hon’ble BIFR as case no 67/2012. However, pursuant to the action taken by the Punjab National Bank (PNB) under the provisions of the SARFAESI Act, 2002, BIFR vide order dated 19.02.2014 abated the reference of the company as non-maintainable. As against the said order, the company had filed an appeal before The Appellate Authority for Industrial & Financial Reconstruction (AAIFR) vide Appeal no. 78/2014 dt 25.03.2014. The Hon’ble AAIFR vide its order dated 03.12.2014 set aside the BIFR order dated 14.12.2015 and remanded the matter back to BIFR with direction to consider the submission of all the parties and pass orders afresh after giving specific findings through a reasoned order. Though the hearings before the BIFR were taking place, however, pursuant to SICA Repeal Act, 2003 and coming into force of the Insolvency & Bankruptcy Code, 2016, all the pending proceedings before BIFR / AAIFR stood abated and time was given to such companies, whose references / appeals have been abated, may file reference within 180 days from the date of the commencement of IBC i.e. from 01.12.2016. The Company is in the process of filing the necessary application under the provisions of IBC, 2016 before Hon’ble NCLT, Kolkata for its revival.

- 32.0** Trade Receivables of Rs 54,534.60 Lacs (P.Y.Rs. 54,534.60 lacs) & some advances to suppliers under the head Non Current Asset and for Capital Expenditure outstanding since long which is explained that due to prevailing adverse situation in the industries and the stoppage of production in all the units of the company. The suppliers to whom such advances were made are also facing financial stringency hence the delay in realization from them.
